From Chairman's Pen,

Greetings,

To all our precious well-wisher donors, supports and volunteers on this wonderful occasion of Presenting the 2nd Annual Activity Report of the SWARNAMAYEE.

We are all glad to some extent that the new year 2022 has brought us a ray of smile by providing us the "Covid-19" does to the people all over the world.

We are also happy that many sectors of livelihood has been opened and people have started working in all over the world for their livelihood after a long time.

During this "COVID-19" pandemic period our volunteers and committed social workers have achieved remarkable result in motivating people of our operational areas to remain free from "COVID-19".

During this period our volunteers worked hard to check the pandemic in our operational areas with best co-operation of local communities.

We are thankful to all our donors, supporters, agencies, Govt. Agencies; NGO's who extended their helping hands to us in serving the communities in our operational areas.

Thanks to all our beneficiaries who supported us positively and co-operate us to transfer their life.

Thanking all.

- b. **Promotion of Health Programme.**
- c. **Promotion of Tourism and Culture Programme.**
- d. **Promotion of Agriculture Programme.**
- e. **Promotion of Women and Child Welfare Programme.**
- f. **Promotion of Water and Sanitation Programme.**
- g. **Promotion of Public Welfare and Relief to poor programme.**

SUMMARY OF ACTIVITIES

a. Promotion of Education Programme: During the year 2021-22 organization has taken following activities to promote educational programme in its operational areas.

i) Awareness Programmes :- On the Occasion of Teachers Day on dtd. 5th September 2021 and awareness programme was organize in the village Nuasahi under Majjihara Grampanchayt of Balipatna Block. About 50nos. of villagers participating in this meeting and our volunteers motivated to the participants to guide their children when they are in their house and continuing online education due to "Covid-19".

ii) Home Tuition Programmes:- The volunteers of the organization came forward to provide free Home tuitions to the poor and needy students during the "COVID-19". The organization could able to

run 20 nos. of free home tuitions centers with social distancing principles and about 200 poor students were benefited in the village of Nuasahi, Majjihara & Bajarangi Colony. This programme were appreciated by local leaders and well-wishers which encouraged us to serve these poor students of the communities in a dedicated and committed way.

b. Promotion of Health Progarmme: On dtd. 7th April on occasion of World Health Day Volunteers of our organization organized the following programs to strengthen the Health Promotion Programme during “Covid-19”.

- i) **Awareness programme on sanitation:-** 22nd April on occasion of Earth Day, the SWARNAMAYEE organized one seminar on sanitation and environment with “Covid-19” principles to aware people of Nuasahi Covid-19 opened eyes of the people of the rural communities regarding the need and necessity of good sanitation system in our daily life. Organization organized meetings and seminars to make people understand about the sanitation of the necessary things and materials and source for preservation of good health and diseases free life. Our volunteers and workers has achieved a remarkable achievements by making aware the people of the communities about “Covid-19”. All the villages of Majjihara Grampanchayat have been covered under this programme was successful to check the “Covid-19”.

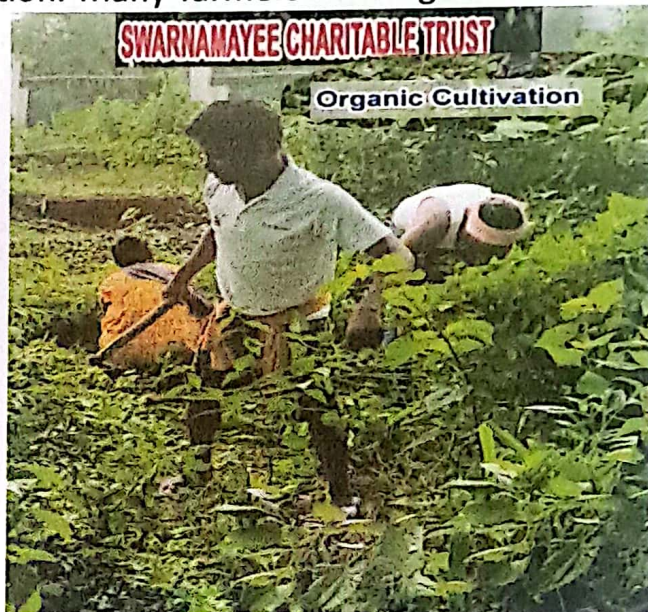

- ii) **Awareness Programme on Hand Washing:** on 8th May on occasion of Mother's Day a meeting was organized with "Covid-19" Principles on the issue of Hand washing and every participants were made understood a regarding the importance of hand washing which is very much sensitive to check this pandemic. Regular meetings and seminars were organized to aware to the people regarding importance of the hand washing and to use quality materials for this purpose. Our committed volunteers were doing hard jobs to move village to village to aware people on this programme in the village of Nuasahi and Majjihara Panchayat was covered successfully.
- iii. **Awareness Programmes on Use of Mask:** The Awareness was organized on dtd. 12th May on occasion International Nurse Day to our people regarding the Covid Pandemic. The meeting was organized in the village nusahi and 100 nos of women participated on the meeting. As we know there is no medicine to cure the "Covid-19" so only preventions majors may be taken to control the pandemic. Use of Mask during the "Covid-19" was very much essential to remain free from the pandemic and our volunteers were moving from village to village to aware people regarding use of masks when they are out of home or are in public places. Our volunteers also distributed 1000 Masks to the poor and needy families during this period.

- iv. Awareness Programme on Remuneration:** During “Covid-19” the volunteers of our organization were working to our the people to be immunized by “Covid-19 doses to control the pandemic. The organization has taken sincere steps to mobilize people to the immunization camps and hospitals to take Covid doses and to remain safe.
- 1. Awareness Programmes Social Distancing:** To Control Pandemic the “Covid-19” our volunteers were moving villages to village to our people on keeping social distances and to remain away from crowds and publics places. Our volunteers have visited door to door in Majjihara Grampanchayat and Bajarangi Colony Bharatpur, to aware the people about the importance of the social distancing to check “Covid-19”.
- 2. Promotion of Tourism and Culture:-** The organization organized a Cultural programs with Covid-19 principles and guidelines on occasion of Annual day of SWARNAMAYEE. There were many guidelines to observe cultural activities during “Covid-19” so organization was unable to organize big programmes only annual festivals of “SWARNAMAYEE CHARITABLE TRUST” was observed with all rules and regulations of “COVID-19” at Jail Road, Jharpara.

B. Promotion of Agricultural Activities:- On 16th October occasion world food day an awareness was organized by Organization. Organization SWARNAMAYEE to promote organic cultivation to prevent diseases from the organization. During "Covid-19" organization has organized regular meetings and seminars with "Covid-19" Rules and Regulations to make famers aware about the importance of organic cultivation and diseases free organization. Many farmers in village in Nuasahi were convince and about 20 farmers have adopted organic vegetable cultivation during 2021-22 This motivational campaign will remain continue for achieving the goals of the organization for organic cultivation. Our volunteers and workers have taken oath to educate village farmers and skilled them for organic cultivation in a professional way.

C. Women and Child Welfare Proqramme: On occasion of international mother's day dtd. 8th May during the year 2021-22 the organization has taken the following programmes for achievements of the objective of Women and Child Welfare. With limited resources the organization implement the following programmes.

1. IGP programme for woman:

The organization has organized awareness programmes to motivate women groups of villages Nuasahi of Majjihara Grampanchayat to adopted a sustainable livelihood programme by taking vocational trainings and skill development trainings. About 50nos. of poor women of Nuasahi

villages were motivated and took tailoring and Badi Pampad training to adopted a sustainable livelihood.

2. Awareness on Woman Education:

Organization conducted awareness programmes to make aware the poor women of Nuasahi village regarding education of their girl child and adult women. The participants took oath to educate their girl children and adult illiterate women for their welfare.

3. Awareness on Child Immunization:

Awareness programme through meetings and seminars were organized regarding importance of child immunization to control the child mortality rate in our operational areas. This meetings and seminars were organized with Covid principles. Our volunteers work hard to mobilize the children to the immunization centers and achievements in this programme was scent percent. This programme was

organized in the village of Nuasahi of Majhihara Grampanchayat.

D. Promotion of Water and Sanitation:-

On dtd. 12th August a meeting was organized on occasion of international youth day. In this meeting it was aware to the

people regarding sanitation which was one of the primary instrument to check the sprade of "Corona" among the people. Pure drinking water, Hand washing,

Sanitization of daily use materials and public places, social distancing, use of masks, were only preventing majors to check Covid-19. Our volunteers were successful to make people understand about the importance of the sanitation for promotion of good environment. All villagers of Nuasahi were cooperative with our volunteers to keep their public places clean and sanitize during the period. Awareness meetings and seminars were organized with Covid Principles in Bajarangi Vihar Colony to make people aware regarding sanitation and clean environment.

E. Promotion for Public Welfare and Relief to Poor:- On 16th October 2021 a meeting was organized aware the people that during the "Covid-19" many people in villages

and urban areas faced on unexpected difficulties to maintain their daily needs. People loosed their job and wages due to stop of may sector where the poor and needy people were depending for their livelihood. To help does "Covid-19" victims and our volunteers have work hard to collect foods and daily needs from rich people and distributed to the needy people in order to help them in surviving. In this noble work many kind hearted people of Bhubaneswar & walking have given gifts and donations to our volunteers to distribute among the poor and needy people of Nuasahi village. With limited resources our volunteers have achieved remarkable results in serving the poor and needy communities of our operational areas and in coming days more and more villages will be covered with above programmes for socio economic development.
